

Workplace Prayer

"Don't worry about anything; instead, pray about everything".

Philippians 4:6

Each morning, before you start your job, pray for your workday. Pray for:

- the tasks you have,
 - the decisions you must make,
 - the people you will interact with.
-
- ❖ Pray for courage and boldness and wisdom and discernment.
 - ❖ Pray for your manager and company leaders.
 - ❖ Pray for your subordinates.
 - ❖ Thank God for the blessings he has shared with you and your company.
 - ❖ Ask God to bless your work and your company.
 - ❖ Before you make a decision, pray for guidance.
 - ❖ Before you accept a new client or a new job, pray.
 - ❖ Before you take a break, pray that your speech might encourage and uplift and not tear down.
 - ❖ Before you write an e-mail, pray God gives you the right words.
 - ❖ When you feel stress, stop, close your door or turn down the radio in the car, and pray for two minutes.
 - ❖ On the trip home, pray a transition prayer. Get off the phone, turn off the radio and pray a simple prayer to leave your work behind and prepare for your family or friends.
 - ❖ Last, on the weekend, pray that God will give you rest.
